

ALEX FLORES

Mobile Developer · Web Developer

SUMMARY

I have worked as a web developer and then I also immersed myself in the mobile world. Motivated and dedicated to what I do, and eager to boost my career creating applications. I have been lucky of being part of teams at Fiverr and companies like Movilges and Movetia.

EXPERIENCE

2023

Fiverr

Web Developer | Mobile Developer

Layout of web applications for blockchain companies with **ReactJS**, **HTML**, **CSS**, **Javascript**(JS).
Web development through intermediaries using **React** and Javascript (JS) and Git.
Development of various mobile application development tasks with **React Native**.
